

Making things easier. Again and again.™

Bleed your artwork at least 2 mm (1/16") beyond the edges of the gray circle. Any graphics (text or images) should be contained within the gray area. Outside circle: 114 mm - bleed to 118 mm. You may create your artwork as a square - 118 mm x 118 mm. Center circle: 41 mm. DO NOT cut out the center circle.

Use this as a guide only.
