

Making things easier. Again and again.™

Effective January, 2010

Bleed your artwork at least 2 mm (1/16") beyond the edges of the gray square. Any graphics (text or images) should be contained within the gray area. Create your artwork as a square - 120 mm x 120 mm. Bleed to black line - 124 mm x 124 mm. Use this as a guide only.

CD/DVD - Standard Jewel Case Front Insert
